Dear Parents and Huron High School Band Members:

While we are nearing the end of the school year, we are already making plans for the 2011-2012 Huron High School Band program. We are looking forward to another tremendous year for the Huron Band program, and have an exciting season planned.

Attached, please find the schedule of events for the upcoming season. Please note that Freshman practices are required for all incoming freshmen, section leaders, color guard, and percussionists. All other practices are required for everyone. Summer attendance WILL be reflected in your first quarter grade. Please plan on arriving early to all rehearsals and performances. Students should be in a seat and ready to begin playing at the indicated start time. Should there be an emergency conflict, please contact me as soon as possible.

Also attached to this letter is a list of items that students will need to purchase throughout the summer in order to be prepared for the season. These items are required for all students. Anyone who is unable to purchase these items due to financial difficulty or for other personal reasons should contact Mr. Ladd immediately.

Should you have questions, do not hesitate to call. Check our website for the most up-to-date posted schedule at <http://hurontigerband.com/calendar>. Also keep an eye on the "marching band" link of the website for updates on musical selections and marching drill.

Thank You,
